About Us:

In all that we do, we work to improve the quality of life for the cats and dogs in our community. We offer a range of programs and services that strengthen the human-animal bond, provide veterinary care, educate the community on the humane treatment of animals, provide shelter for homeless animals and offer safe keeping services for pet families needing assistance with keeping their pets.

Adoptions:

We're so glad you're considering adopting from Anicira!

If you're ready to bring home a furry family member, we invite you to visit us each Saturday from 11am-3pm at either Petco or PetSmart. Please call us at 540-217-2512 to find out where we will be each weekend.

What's Included:

- Health screening and exam by a veterinarian
- Spay/Neuter surgery
- Dental care
- Microchip identification with registration
- Heartworm test and preventative medication for dogs
- FIV/FelV test for cats
- Flea and tick preventative medication
- Vaccinations: Rabies (if age appropriate), DAPPv, Bordetella

Veterinary Services:

Primary Care

Our primary care team works to help prevent, diagnose and manage acute and chronic diseases and conditions such as allergies, kidney disease, dermatitis, diabetes, arthritis and other medical problems affecting your pet.

Preventative Care

We do everything from vaccines, to microchipping, to deworming and flea treatment, to heartworms, to viruses and diseases. All at an affordable cost.
